

Why Sponsor

The Allen County Fairgrounds is a privately owned not for profit 501c3 organization run by a Board of Directors and 1000's of volunteer hours.

Three components of the Allen County Fair are crucial to the success of our event from year to year. Volunteers give us the manpower to produce and conduct six days of continuous activity. Public attendance and participation create the community interest necessary to fulfill our mission. And finally, our sponsors provide the funding to maintain and improve upon events.

We recognize that our sponsors play a vital role in the success of The Allen County Fair. It is our desire to create a winning situation not only for the Fair, but for our sponsors as well. We have developed a sponsor package to allow for all different budget levels. Any of our sponsor packages can be customized to more closely suit your business objectives.

As a sponsor for The Allen County Fair you will be recognized as a community-minded business and will receive many avenues of recognition.

Your local business will be exposed to over 50,000 people in our county and surrounding areas! Let us help you connect with new customers in a valuable way.

Thank you for your support!
